**Join** us to the soft coral capital of the world! On the most northerly tip of Fiji's largest island, Viti Levu, lies a headland where you'll find Volivoli Beach Resort on Fiji's untouched Suncoast. Nestled among lush rainforest, the family owned and operated boutique resort is the perfect balance of relaxed luxury, traditional design, and modern comfort connecting you with the surrounding natural environment; the heart of Fiji.

**Explore** a colorful underwater world on a diving adventure with Ra Divers on our daily trips to the Bligh Waters, also known as The Vatu-I-Ra Passage. Now a marine protected area famous for its abundance and diversity of marine life— where there's some of the healthiest, thriving soft coral diving in the world, which is arguably the best diving in Fiji.

**After** a day of diving, bask in the sunshine around the oceanfront swimming pool, lounge in a hammock by the beach watching the sunset, dine on inspired local cuisine, enjoy a cocktail at one of the three bars or regenerate in the spa. Any way you look at it, Fiji is the ultimate vacation!
