

Raja Ampat, Indonesia

MISOOL ECO RESORT

APRIL 20-MAY 2, 2023

Raja Ampat's marine environments are out of this world. The reefs are a painter's pallet of color and variety, home to over 1200 species of fish and more marine life than anywhere else on the planet. Big animals are common here, with Manta Ray cleaning stations, schools of Mobala rays and plenty of Shark sightings. One of the rarest sharks seen in these waters is the Woebegong Shark and the walking Shark.

The diversity of dive sites is remarkable; there are some areas where soft corals and sea fans dominate, others with spectacular hard coral seascapes, mangroves, shallow reefs, drop offs, caves, black sand, white sand and seagrass beds. All of these environments combine to house a huge amount of marine life, in more shapes and sizes than anywhere else in the world. All levels of the food chain are well represented, from Pygmy Seahorses to top predators and everything in between. The reefs of Raja Ampat literally buzz with life - beware, sensory overload here is a common problem.

Misool Eco Resort is a true tropical hideaway, just south of the equator and fringed with powder-white beaches and pristine coral reefs. Your stay at Misool Eco Resort directly supports conservation initiatives, their No-Take Zone, as well as the local community.

Join us for this amazing adventure and be prepared to experience some of the best diving you will ever do.

Their accommodations have been meticulously designed for comfort, privacy, and sustainability. All of their rooms feature Balinese-style open air bathrooms, air-conditioning, fresh hot and cold showers, mini-bars stocked with treats from around the archipelago, and handcrafted furniture and fittings. All cottages and luxurious villas are built on stilts over the water. The view from your veranda is framed by a traditional grass roof, offering a high degree of privacy as well as shade. Stairs lead down from your veranda to the North Lagoon, and the House Reef is just a few fin kicks away. Utara Villa is perfect for 2 couples or a family of divers.

FLIGHTS:

We recommend you arrive in Sorong (SOQ) with Garuda Airlines from Jakarta, arriving at about 06:30 AM on April 20. Departure boat ride to the resort is 9:00 AM. Return flight home from Sorong (SOQ) anytime on May 3
