Given their limited selection in town, along with their 'barely adequate' kitchen facility, they ask that those who are Gluten Free or Lactose intolerant / No Dairy, ask you to please bring with you a substitute for dairy and Gluten for your snacks and bread (if desired). If you say that you are vegetarian etc, please know that they have purchased special food to cover your needs. This is not the time to claim you eat meat while on vacation. *Their kitchen is not set up to accommodate anyone with Celiac disease.*

Weather can be unpredictable and sometimes it is unsafe to travel to and from the resort due to its remote location. There is no refund or credit for delays. If we have to spend an extra day at the resort it is \$300 plus tax. If we are delayed in Port Hardy, hotel and food costs are on your own. We highly recommend travel insurance.

Passports, enhanced driver's license or Nexus cards are required for travel across the border.

We recommend this charter for advanced divers only.
