

PORT HARDY, BC 2022

APRIL 2-8
APRIL 8-14
SEPT 24-30

Travel with us to the far North end of Vancouver Island to a small town called Port Hardy. Here they will take us for a 10 mile boat ride through the wilds of Queen Charlotte Strait to Hurst Island where God's Pocket Resort is located. If your looking for peace, quiet and tranquility, you have arrived. The real reason we are here of course is the diving. The resort is about a 5 minute boat ride from the famous Browning Wall. Other incredible dives in the area are Barry Islet, Dillion Rock, Hunt Rock and Nakwakto Rapids to name a few. Each area is rich in colorful marine life from Wolfeels, Octopus, huge

Lingcod, Clown Shrimp, Purple Ringed Top Snails, Grunt Sculpins, Sea lions and more Nudibranchs than you can name. The "Hurst Isle" is a 40-Ft custom

aluminum dive boat with two fast engines to whisk us away at 20-25 knots, easy entry and an elevator to lift you back on the boat deck. It offers a heated wet cabin we can tuck into even while wearing your Drysuit. We will do 3 boat dives a day (weather & currents permitting). When possible, a 4th dive off the dock. Let's get down to the food. Three meals a day and everything made from scratch. Your trip will include 5 days of diving, accommodations, meals, tanks and air fills. Everyone is responsible for getting themselves to Port Hardy, we will try and carpool to keep gas and ferry fees down. There are 14 spots available.
