Take in a glorious sunset at the end of a satisfying day's diving, to a soundtrack of waves gently lapping on the shore - all while seated on the balcony or in one of the comfortable lounge chairs in front of your Ocean Bungalow. All have large front porches with comfortable lounge beds and stunning sea views. Ocean Bungalows have indoor bathrooms and spacious Asian spa-style outdoor showers. If you are seeking the optimal blend of luxury and economy, an Ocean Bungalow is the best choice.

Palm Bungalow; all your basic needs covered

These very comfortable bungalows are located slightly behind and in-between the front-row Ocean Bungalows amidst beautiful palm trees and other tropical plants.
