

# DOLPHINS & TIGER SHARKS

## BAHAMAS

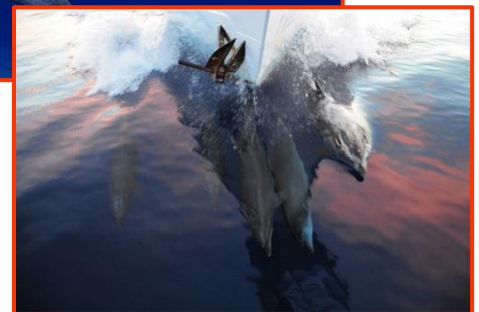

## LIVEABOARD

### July 13-21, 2019

Join us aboard the Bahamas Master, based in Freeport, Bahamas. The Bahamas has the third largest barrier reef area in the world and covers a vast 470,000km of sparkling Atlantic Ocean. The Bahamas are made up of over 700 islands and cays. One can easily imagine the variety of dive sites: wrecks, caves, blue holes and, obviously, sharks! Very likely you will come up close and personal with the following, depending on our itinerary: Caribbean reef sharks, nurse sharks, lemon sharks, tiger sharks, bull sharks, great hammerheads and oceanic white tip sharks. There are very few places in the world where you can see this number of species in one area. We also have the possibility to snorkel or dive with Atlantic spotted and Bottlenose Dolphins. This trip is for the adventurous diver who has experience beyond beginner level to ensure maximum enjoyment, especially with the nature of the wildlife in the area.

#### Package Includes:

- ❖ 1 night stay at Bell Channel Inn (double occupancy room)
- ❖ 7 nights aboard the Bahama Master Liveaboard

**\$1000 non-refundable/non-transferable deposit to reserve your spot**

*All pricing based on per person, USD, double occupancy.*

### Boat Info:

The Bahamas Master has 8 well-designed cabins and can comfortably welcome 16 divers aboard. Guests can choose between three cabin types:

- Two (2) Master cabins on the forward upper deck, with double beds plus private en-suite bathroom. Located on main deck.
- Two (2) Premier cabins with twin bunk beds plus private en-suite bathroom. Located on lower deck.
- Four (4) Standard cabins with twin bunk beds only and share a bathroom with another cabin. Located on lower deck.

All cabins have panoramic windows, so there is plenty of day light and ocean view for all.
