

Red Sea Liveaboard

Aboard the M/Y Blue Melody

Oct 28-Nov 7, 2021

11 days/10 nights

Crystal clear water, wrecks, sharks & abundant and vibrant reefs.

This is what makes the Egyptian Red Sea one of the 7 Wonders of the Underwater World. An extremely rich and diverse ecosystem which harbors more than 1,100 species of fish, 1,000 invertebrates, over 200 species of soft and hard coral and 44 species of sharks. Dive alongside large pelagics such as oceanic whitetip, thresher, and hammerhead sharks. This **Ultimate Red Sea** itinerary combines the best of the Red Sea wrecks, reefs, and sharks. Diving in the world-famous marine parks at Brothers and Daedalus, as well as the Ship's Graveyard at Abu Nuhas and the SS Thistlegorm wreck. This thrilling itinerary of wrecks and spectacular drop-offs is perfect for divers keen to glimpse some big animals at these remote off-shore dive sites.
