

FORGOTTEN ISLANDS

&

ALOR, INDONESIA

April 30-May 17, 2025

Forgotten Islands (Aboard the Damai 2): Diving in the Forgotten Islands brings you to incredibly rich and crystal-clear waters filled with deep walls, luscious pinnacles, breathtaking overhangs, and enticing swim-throughs. Not to mention, the pristine coral reefs and huge barrel sponges all surrounded by spectacular schools of fish.

Alor (Alami Alor Resort): Diving the waters of Alor has a surprising wealth of marine life, from the smallest of creatures to some of the largest mammals. There is little shortage in number and variety of dive sites to be explored. Muck diving enthusiasts will love the bays, while wide-angle photographers will marvel in the fishy reefs and colorful walls. These are the most spectacular and untouched reefs that Indonesia has to offer. This combination of trips offers divers some of the best in wide angle and macro diving!
