DAY CHARTER

With Bandito Charters

Begin your adventure by heading out from Tacoma with us on the Ocean Quest to explore the incredible diving of the south Puget Sound. The dive sites offer a variety of life found here in the Pacific Northwest from Lingcod, Nudibranchs, Giant Pacific Octopus, Wolfeels, Rockfish, Puget Sound King Crab and more. Plus, no schlepping up and down the beach and having to deal with sandy gear. All diving is done from a "live" boat, so there is no anchoring, and some sites do have current.

- Charter return ~2-3:00pm.

The wildlife is not only underwater. There is lots to see topside too, including eagles, herons, seals, and possibly even whales. Be sure to pack plenty of warm clothing, camera, binoculars and maybe even some sunscreen! The boat only takes 6 divers, so this is pretty much a private charter.

- We recommend this charter for experienced divers only, due to currents and live boat operations.
