

# Nai'a Liveaboard FIJI

Nov. 3-13, 2027

VOLIVOLI BEACH RESORT ADD-ON  
October 28-November 3

Fiji is known as the "Soft Coral Capital of the World" for its incredibly vibrant, colorful soft corals, offering stunning drift dives, teeming fish life, and warm waters.

Start your adventure by enjoying the legendary hospitality of Volivoli Beach Resort for 6 nights (5 days of diving) before embarking on 10 days aboard the Nai'a Liveaboard. For many years Nai'a has been the flagship Fiji liveaboard in the South Pacific. Its professional crew is famous as the friendliest and most competent in the business.

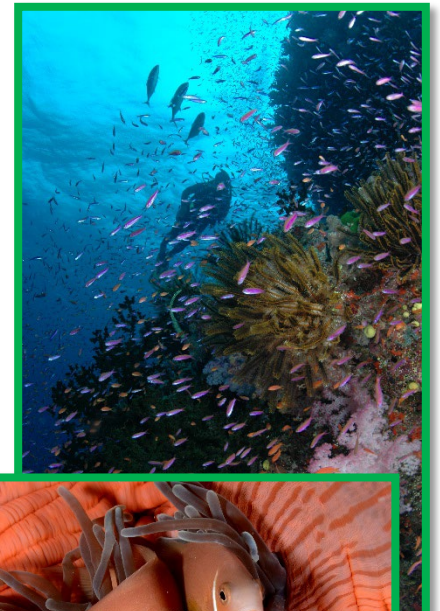

Eat – dive – eat – dive – eat – dive – repeat. Plus a nap or two! Ten days aboard the luxury liveaboard dive boat NAI'A is the simplest and most fulfilling holiday a diver could hope for. Once you've set up your gear the first time, our crew look after it until it is time to pack it away again. Each morning you wake to a new dive site that is as easily accessed as falling off a log.
